Top Glo 2™ FEC Model 5 Player Group Game Attendant Free

Features:

- Super Bright LED Channels.
- Extra-large and eye-catching marquee. *Other marquee options available.*
- The Top Glo 2™ FEC Model can utilize specialized 2" x 4" redemption tickets or standard 1" x 2" tickets.

- Secured display shelves.
- Low maintenance, closed-loop, water system.

Game Play:

- Operates without an operator.
- The game is pre-wired to utilize any card swipe system to coin up a game.
- Once a player coins up, the game will begin to count down to start the race.
- Countdown timer resets once another player coins up.
- When countdown timer reaches "0", the race will start.
- Players race to fill their tubes with super-bright LED lights. The first player to fully light their tube, wins! The Winner receives special large ticket. The more players in a race, the higher number of tickets rewarded. (Optional)

Recommended Pricing and Ticket Distribution:

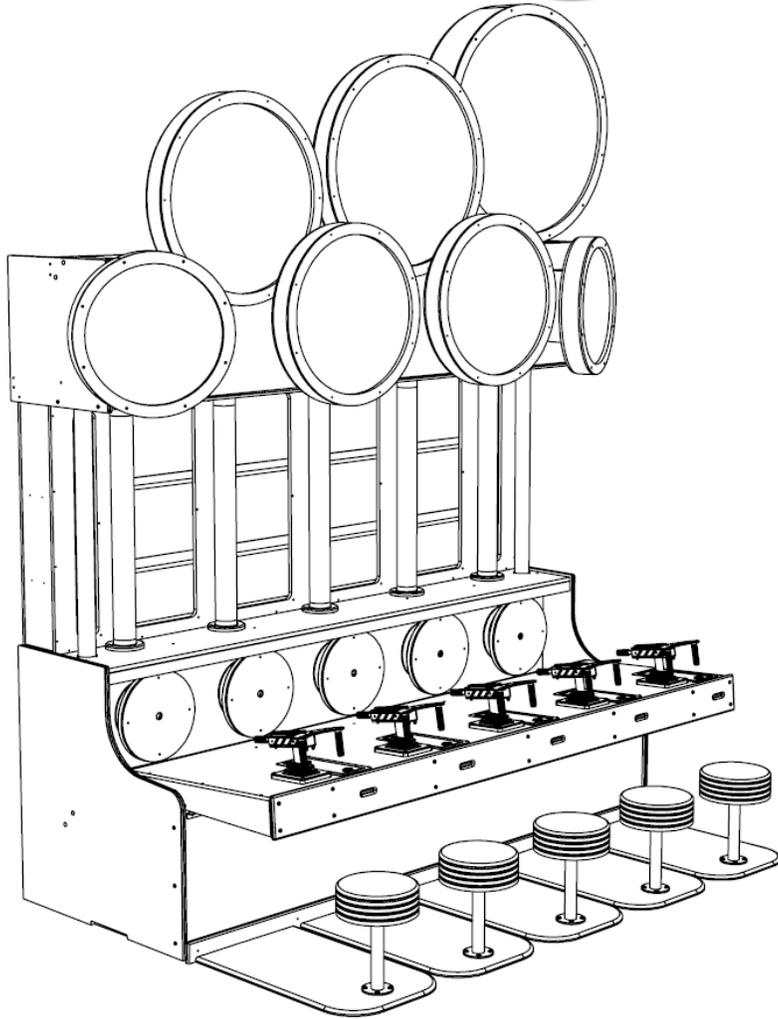

- Charge between \$2.00 to \$5.00 to play.
- Recommend to use 2" x 4" Tickets to redeem for game-specific prizes for best incremental results.
- Option available to distribute standard size tickets also.
